## AUDIT COMMENTS

I have generally examined the accounts of the University for the year 1958-59 and on the basis of the general scrutiny of the record and the information and explanations furnished, I certify that the accounts of the University are correct subject to the following comments:—

## I. M. U. FUND ACCOUNT BALANCE SHEET AS AT 31-3-1959

(i) *Outstanding rent of Buildings*

No item of outstanding rent appears in the Balance Sheet on the asset side.

In the absence of the Inventory of residential quarters showing name of allottee, period of occupation, standard rent, total demand, total realization etc. the position regarding outstandings on account of rent could not be verified and its omission from the Balance Sheet justified.

(ii) *Advances*

The advances are treated by the University in two different ways viz. (a) advances charged to final heads (b) advances charged to "Advance on Account".

A Sum of Rs. 5,74,956.14 was stated to be outstanding under advances charged to final heads as at 31st March 1959, the adjustment of which was being watched through a subsidiary register. These advances, having been charged to final heads were not shown in the Balance Sheet on the asset side.

As regards the advances charged to Advance on Account a sum of Rs. 1,93,471 and 05 nP. has been shown outstanding as at 31st March 1959 against various firms and University officials for supplies and disbursements etc., details of which duly certified by the administration were not made available to audit.

(iii) *Outstanding income*

A sum of Rs. 4,67,907.27 nP. has been shown as outstanding income (on account of fees etc.). A large number of items is reported to be outstanding for the last several years, which is considered to be irrecoverable. Complete details and year-wise analysis of the outstanding income have not been prepared by the Administration nor items which are in the nature of bad or doubtful debts segregated.

(iv) *Outstanding loans*

The asset side of the Muslim University Fund Account Balance Sheet shows the following loans outstanding against the departments and individuals. These have remained outstanding for a long time but no action has so far been taken to effect recovery from the loanees concerned:—

	Rs.	nP.
1. M.U. Tibbiya College for N.R. Grants	24,561	22
2. Medical Department	3,000	00
3. M.U. Girls' High School	4,000	00
4. Blind School	1,000	00
5. Sahibzada Sajid Ali Khan	1,000	00

(v) *Non verification of lapsed assets and liabilities*

After the merger of accounts of Women's College and M.U. Girls' School with M.U. Fund Account in 1956-57 the liabilities of both the institutions appeared to have been accepted without verifying their correctness.

## II. HALL ACCOUNTS AND ACCOUNTS OF VARIOUS GAMES AND CULTURAL SOCIETIES

As in previous years the accounts of the various Halls, the Female Education Fund and the various clubs and societies were not produced to audit and are not certified.

Deputy Accountant General, O.A.D.,  
Office of the A.G.U.P., Allahabad.

REPLIES TO THE AUDIT COMMENTS ON THE BALANCE SHEET AS AT 31-3-59

The outstanding rent of residential quarters will henceforth be shown as an asset in the Balance Sheet by credit to the Revenue Account.

(i) *Outstanding rent*

Action is being taken to prepare an inventory of the residential quarters with necessary details i.e. period of occupation, names of allottees, standard rent or rent recoverable, total demand and total realization of the rent. It is expected that this inventory will be completed soon and shown at the next Audit.

The Steward Department has been asked to prepare monthly rent statements in duplicate on the lines of the C.P.W.D. and submit them to the Accounts Officer for recovery. A copy of the statement will be returned to the Steward Office for maintaining the above Register up to date.

(ii) *Advances*

The suggestion now given is noted.

Out of a total sum of Rs. 1,93,471.05 shown in the Balance Sheet of the year ending 31st March 1959, under 'Advance on Account' representing advances given to various firms and to University Officers for supplies and disbursements, adjustment vouchers for a total sum of Rs. 1,60,006/5/9 were shown to the Senior Auditor.

(iii) *Outstanding income*

Detailed and year-wise analysis of the outstanding income is under preparation showing the bad and doubtful debts separately and will be shown to Audit at the next visit.

(iv) *Outstanding loans*

The Assets side of the M.U. Fund Account Balance Sheet shows that loans were given to the following departments,

	Rs.	nP.
1. M.U. Tibbiya College	..	24,561 22
2. Medical Department	..	3,000 00
3. M.U. Girls' High School	..	4,000 00
4. Blind School	..	1,000 00
5. Sahibzada Sajid Ali Khan	..	2,000 00

Loan of Rs. 2,000/- advanced to Sahibzada Sajid Ali Khan has been recovered. Loan to M.U. Tibbiya College and M.U. Girls' High School shall have to be closed to Revenue Account. Loan to Medical Department has been adjusted during 1959-60. Efforts are being made to realise balance under the 4th item.

(v) *Non verification of lapsed assets and liabilities*

The amalgamation of the Women's College Balance Sheet into M.U. Fund Account Balance Sheet was done in 1954-55. The nature of the assets and liabilities of the College as also of the M.U. Girls High School is being taken up for scrutiny.

**AWARD**

This is a complaint purporting to be under Section 33-A of the Industrial Disputes Act, 1947, and is directed against an order of dismissal passed against the complainant by the opposite party during the pendency of Reference No. 27 of 1960, in which he alleges he was a workman concerned in the dispute.

2. The complainant was a primary school teacher employed in the colliery of the opposite party and several objections were taken as to the maintainability of this complaint on the ground that a primary teacher is not a workman as defined by Section 2(s) of the Act. However, after the matter was taken up for hearing by me there was talk of settlement between the parties and at the hearing on 14th July, 1961, the complainant filed an application recording that he has settled the claim with the management out of court and he does not desire to prosecute the dispute. The complainant therefore wants that the complaint may be disposed of as settled. The complaint is, therefore, allowed to be withdrawn as settled.

This is a complaint purporting to be under Section 33-A, of the Industrial Disputes Act, 1947, (XIV of 1947), and it is directed against the order of the management made in August, 1960, transferring the complainant from the Bhutgoria colliery where he was working as an underground munshi, to Bhanora colliery as Tub Checker under the same management. This complaint was part heard by my learned predecessor the late Shri G. Palit, and the matter was continued before me at the stage of arguments on 13th July, 1961.

2. After both parties had made their submissions, on my suggestion, they have arrived at a settlement as recorded in the joint application filed by them on 13th July, 1961. Under the terms of the settlement it is agreed that the complainant will report himself for duty as Tub Checker at Bhanora colliery by 1st August, 1961, on the last pay drawn by him at Bhutgoria colliery on the terms and conditions agreed upon between the parties. The parties have prayed that I should make an award in this complaint in terms of the settlement reached between them. As I am satisfied that the terms of settlement are fair and reasonable, I make an award in terms of the settlement recorded in the joint application of the parties dated 13th July, 1961, a copy of which is annexed hereto as annexure "A" and which shall form part of this award.
